TO : THE INVESTING PUBLIC

SUBJECT : DELAY IN MARKET OPENING AND TRADING

DATE : JANUARY 4, 2022

The market opening at The Philippine Stock Exchange, Inc. (PSE) was delayed due to a technical issue that is currently being resolved. Among the 125 trading participants of the PSE, 43 are unable to connect to the Exchange's trading engine.

Article VIII, Section 2 of PSE's Revised Trading Rules states that the Exchange may halt the trading in the market if at least one-third (1/3) of the trading participant-users cannot access the trading system.

We will update the investing public on the trading schedule for today in the next advisory.

For your information and guidance.
