

# CERTIFIED SECURITIES SPECIALIST COURSE

Over 700 graduates since 2007 and counting

**June 4 - December 10, 2022**

Online classes every Saturday

9:00 a.m. - 4:00 p.m.

## About the Program

The Certified Securities Specialist Course (CSSC) is a key initiative of The Philippine Stock Exchange, Inc. (PSE). In partnership with the De La Salle-College of Saint Benilde's School of Professional and Continuing Education (BENILDE SPaCE), we envision to produce more individuals and professionals who will become savvy investors and practitioners in the Philippine capital market.

This Program is designed for:

- *Individuals who already have the basic understanding of stock investing and would like to manage his/her own portfolio.*
- *Trading participants or market/industry practitioners who want to enhance their investment, trading, and analytical skills.*
- *Individuals interested in learning about the capital markets, particularly, the equities market, or those who are considering a career in finance or the capital markets industry.*

## Program Feature

The CSSC is a 124-hour program that puts emphasis on capital markets, fundamental analysis, technical analysis, valuation techniques, portfolio management, business ethics, securities regulations, market dynamics, and real world applications of finance principles.

## Program Fee

**Php 57,895.00**

The Program fee is inclusive of access to Benilde's BigSky Learning Management System, a certificate of completion, course review, mock exam, certification exam, and online conferment ceremony.
